All About You Dental Gives Back

Dr. Taylor Clark and his family went on a dental mission trip to Tonga this summer! For years, Dr. Taylor and his family had saved up and planned on going on a dental mission trip some place in the world where access to dental care is limited or non-existent. This summer they served in Tonga for 2 weeks to make their dream a reality. They worked together volunteering free dental services to as many Tongans as they could. Dr. Taylor says, "Our family is so excited we could help those who don't have it as good as we do in America. Our lives were forever changed by serving these wonderful Tongan people! We were reminded that when we change others' lives for the better, we change our own."

"My favorite smile that my 3 oldest and I worked together to fix. This woman's last smile at us said it all. Priceless!" -Dr. Taylor

Welcome Dr. Jonathan Pluid!

We are excited to announce the addition of Dr. Jonathan Pluid to our growing team! Dr. Pluid is an excellent general dentist who enjoys all aspects of cosmetic and restorative dentistry. He received his Bachelor's degree in Biology at BYU-Idaho, graduating Cum Laude. After college, he attended the prominent Oregon Health and Science University School of Dentistry. He graduated with honors as one of the top clinicians in his entire class of 78 doctors.

Dr. Pluid was born and raised in Idaho and is so excited to call the Treasure Valley his home. While growing up, he was an accomplished athlete who among other things, won the individual Idaho 3A state wrestling championship in his weight class. When not at the office, Dr. Pluid enjoys hiking, fishing, hunting and spending time with his family. He met his wife Jenelle in college and they have been blessed with two wonderful daughters.

Dr. Pluid's greatest desire as a dentist is to serve and improve the lives of families. He loves being a dentist because he can help a grandpa, mom and son all on the same day. He strives for a positive doctor-patient relationship in every interaction he has.

PAINT the TOWN 2015

We have decided to share a special recipe with you every week on our website. Simply visit www.allaboutyoudental.com each week for a brand new recipe.

My Grandma Clark was a gourmet cook. Back in 1999 just prior to her passing, my wife Jannie and I visited her. My Grandpa slipped us an old shoe box, packed full of her treasured recipes collected over her lifetime. Jannie and I spent the next 3 years creating a huge 357 page recipe book in her honor. There are now 535 recipes in print! I decided to share some recipes with you each month as "Grandma's Recipe of the Month".
Enjoy, -Dr. Taylor

Simply Awesome!

Absolutely the best dentist I've been to in year! Friendly staff who knows your name when you walk in the door. The dentist was excellent! Comfortable chairs and a variety of movies to watch while you're on the chair. I have finally found an excellent dentist! Thank you to all the staff for making me feel comfortable and welcome! —Misti D.

Best Dentist Around.

I have always had a great experience with All About You Dental. I had my two little kids with me and we all had our checks and cleanings. They were very accommodating to that situation. My 3 year old looks forward to going to the dentist. What more can a mom ask for!
—Lindsay D.

Continue to be amazed at the kindness and effort made by the entire staff! Thank you!

You will never find a more efficient, friendly, helpful staff anywhere! You truly feel valued as a patient at All About You. Thank you for the nice experience! —Laralee V.

Fantastic service with a smile!

I've avoided the dentist for over 25 years, due to one reason or another. Recently I was forced to go due to a severe issue and attempted to get into my family's dentist. Unfortunately they couldn't squeeze me in, but referred me to All About You instead. Boy, am I glad they did! What a fantastic team the dentists have assembled. From the moment you arrive to the moment you leave, it's customer service at its finest. (In my opinion, this is where most medical/dental establishments fall down...they forget they're in the service industry.) Plus, I've been incredibly impressed by the quality of work, the bedside manner, and the personal follow-up after the appointments. I will not be avoiding the dentist any longer, as everyone at this practice truly makes your experience "All About You." —Adam C.
