Humvee Simulation for Team AAYD! Members of the All About You Dental team recently took a trip to Gowen field for a Humvee simulation. We used the technology that our soldiers train with to practice for dangerous missions. We were reminded about the importance of team work and unity in achieving a goal and mission.

Patient Of The Quarter

Amanda Schweiger was voted patient of the month for the last quarter. Something unique about Amanda is that she has been in every state in the continental U.S. by car. She enjoys yoga, paddle boarding, shopping, camping and pretty much anything outside. Amanda loves her smile because it's big and expressive. She loves coming to All About You Dental because everyone is so friendly...from front to back office. Amanda says, "at All About You, you can never tell when it's a rough day because the staff is always smiling!" Everyone at All About You Dental would like to thank her for being a great patient!

A Surprise For Lila Halle

Our friendly hygienist Brian Halle's little daughter had a tough set back on the trampoline. While home resting from her broken leg she was delighted to get a special delivery surprise with her name on it. "It's just so good I can't stop eating it!" Lila said.

DR. PLUID GOES TRICK OR TREATING!

Dr. Pluid had a blast taking his little girls Trick or Treating on Halloween. When he's away from the office, he loves spending time with his family.

Dr. Pluid enjoying Halloween with his daughter Brielle!

Halloween Fun!

We work hard at All About You Dental but we also like to have FUN!

Dr. Jayson Flips in Montreal!

Dr. Jayson recently had the opportunity to visit his sister's trampoline park in Montreal, Canada. Though he couldn't understand a word of the French that people were speaking up there, he showed that he still has it on the trampoline doing five back flips in a row!

We have decided to share a special recipe with you every week on our website. Simply visit www.allaboutyoudental.com each week for a brand new recipe.

My Grandma Clark was a gourmet cook. Back in 1999 just prior to her passing, my wife Jannie and I visited her. My Grandpa slipped us an old shoe box, packed full of her treasured recipes collected over her lifetime. Jannie and I spent the next 3 years creating a huge 357 page recipe book in her honor. There are now

535 books in print! I decided to share some recipes with you each month as "Grandma's Recipe of the Month".

Enjoy, -Dr. Taylor

What Our Guests Say...

Very Welcoming

I have extremely sensitive teeth so cleanings are not typically a pleasant experience for me. The hygienist was very patient and accommodating. I was given undivided attention and never felt like I they were in hurry up so we can get on to the next patient mode.

—Tina G.

Dr Pluid and his assistant are superstars

I brought them challenges which required amazing skill to pull it off. They not only achieved a painless root canal, they got my temporary crown made and placed it without pain .—Brian B.
