## Who else wants the Smile of your Dreams?

Seeing people smile with confidence is why we love what we do!

"The most exciting part of helping Shawn, with his smile transformation was seeing his excitement and confidence sky rocket instantly. That's the best part of my job!"

—Dr. Jayson Clark

"My new teeth are amazing. I am so grateful for Dr. Taylor Clark's skills in correcting my dental problems. After years of never showing my teeth, I can now smile with confidence."

—Deleice F., from Boise.

This beautiful lady who will remain anonymous came back to our office a few weeks after getting her new smile and said with great excitement, "A stranger complimented me on my smile. That's never happened before!"

*A special note from the dental assistants:*

None of us ever knew how rewarding being a dental assistant would be. The best part about our job is caring for our patients and keeping them comfortable along their journey to excellent dental health. We love our patients like family and look forward to caring for them every time they come in to visit us!

## Funny Dental Humor

### Meet our Dental Hygienist Kamrie Hutchison, RDH

I chose the BEST career! I love being a dental hygienist, and working for All About You Dental has made it an even better choice. I couldn't ask for better doctors and staff with whom to work with. It is such a WONDERFUL place to be! I spent my first two years of college at Boise State University where I was able to complete my generals and prerequisites. As I attended school at BSU, I had the wonderful opportunity of dancing on the Boise State University Mane Line Dance Team! I then attended college at Utah College of Dental Hygiene to complete my bachelors in Dental Hygiene and graduated in 2015. During this time, I met my husband and was married in June of 2015. I was born and raised in Boise. So, of course I brought my husband back here to start our new journey together. We both believe it is an amazing place to raise our future family! When I am not working as a dental hygienist, I love cleaning, working out with my husband, spending time with family, or doing anything outdoors! Thank you for making me feel so welcome here at All About You Dental! I look forward to seeing many more of you and getting to know all of you.

## TOYS FOR TOTS

Marine Toys for Tots Foundation

Everyone at All About You Dental would like to "Thank" all who helped fill our Toys for Tots bin once again this year. It was a huge success!

We have decided to share a special recipe with you every week on our website. Simply visit [www.allaboutyoudental.com](http://www.allaboutyoudental.com) each week for a brand new recipe.

My Grandma Clark was a gourmet cook. Back in 1999 just prior to her passing, my wife Jannie and I visited her. My Grandpa slipped us an old shoe box, packed full of her treasured recipes collected over her lifetime. Jannie and I spent the next 3 years creating a huge 357 page recipe book in her honor. There are now 535 books in print! I decided to share some recipes with you each month as "Grandma's Recipe of the Month".  
Enjoy, -Dr. Taylor

Everyone at All About You Dental came together as a team and sponsored four adolescents to make Christmas possible for them. These young adults live at Hope House Home for Children in Marsing, ID. Hope House Home for Children began with a promise made by a little girl — herself abandoned and a victim of abuse, neglect and family dysfunction — who vowed that someday, she would make a home where children like herself could be loved and cared for. If you would like to make a donation to this non-profit organization, go to their website at [www.ahome2come2.com](http://www.ahome2come2.com)
