RECIPE OF THE MONTH

My Grandma Clark was a gourmet cook. Back in 1999 just prior to her passing, my wife Jannie and I visited her. My Grandpa slipped us an old shoe box, packed full of her treasured recipes collected over her lifetime. Jannie and I spent the next 3 years creating a huge 357 page recipe book in her honor.

There are now more than 535 books in print! We decided to share some recipes with you as "Grandma's Recipe of the month" Enjoy! -Dr. Taylor and Jayson Clark

A HAPPY ENDING

Okay, here's a sad story with a very happy ending for you. These ladies do far more than help fix, polish, and clean teeth! While at work, they noticed a momma duck waddling outside the window with 9 cute little ducklings following in tow. To their dismay, they witnessed momma duck as she wandered straight out onto Eagle road and got hit by a car.

The little ducklings began to flee in confusion, seemingly not knowing what to do except get away from the traffic and hide in a bush outside our treatment room windows. They grabbed a box and gathered each duckling and called our local bird sanctuary for advice. They took them to a nearby park and safely let them go next to a pond and saw them adapt into another duck

BIG KUDOS TO TYLER, MERY, EVONY, AND JENNA!!

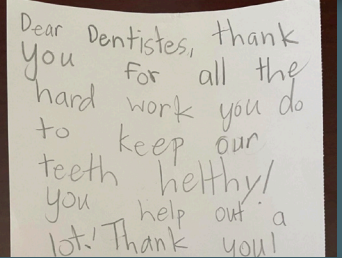

HOW CUTE IS THIS?

How's this for a gift from a patient? So good! A cute little 4 year old girl brought this in at her appointment recently.

It's a toothbrush, a sun, and not sure what the background is.

WE LOVE IT!

WANT THE SMILE OF YOUR DREAMS?

These 2 wonderful ladies had wanted to improve their smile for a long time. They both asked if we could give them a smile like so many pictured on the walls throughout our office. Our doctors went to work on a custom smile design and the results are stunning! It's so fun to see people gain self-confidence because of something we did. We love changing lives! When we change a life, we change our own!

CORE VALUE WINNERS!

CONGRATULATIONS TO OUR RECENT CORE VALUE AWARD WINNERS

Marchand and Adri lead the way by making a positive IMPACT with our team and our guests! We want to recognize them for going above and beyond to demonstrate our core values.

Our Hygienist Marchand worked extra hard to take care of our patients and provide coverage while some of our team was on vacation.

Adri could often be found providing an extra hand when it was needed most, all without even being asked.

These actions demonstrate leadership by example, making a positive impact and leaving a positive wake everywhere they go. Thank you ladies!!
