Welcome Dr. Lavell Robinson!

Dr. Lavell Robinson is an excellent general dentist who enjoys all aspects of cosmetic and restorative dentistry. He received his Bachelor's Degree in Human Biology at BYU-Idaho, graduating Magna Cum Laude. After college, he attended the prominent Oregon Health Science University School of Dentistry where he graduated Cum Laude as one of the top clinicians in his entire class of 78 doctors.

Dr. Robinson graduated from high school in Meridian and is so excited to call the Treasure Valley his home. He not only enjoys serving the people of the Treasure Valley, but also donating his services to the homeless and others in need. Some of his fondest memories were made during two separate humanitarian service trips to Guatemala to help

people who don't have it as good as we do in the USA.

He is not only a gifted dental clinician, but also is skilled in detailed drawing and fine wood working. Dr. Robinson's greatest accomplishment is raising three energetic kids with his best friend and swing dance partner Michelle. They enjoy camping, board games and paddle boarding as a family.

Welcome Dr. Ki Chung!

We are delighted to have Dr. Ki Chung be a part of our team! Dr. Chung graduated from the University of Southern California School of Dentistry in 2013 as a member of the Dean's List.

Though he has been a licensed dentist in Idaho for the past six years, he gained some incredible experiences serving the women and men of the US army in

South Korea for 3 of those years.

Dr. Chung has an extensive list of clinical and humanitarian accomplishments during his time in the Army and after. He quickly emerged as a leader, serving as Patient Safety Officer and Emergency Care Schedule Coordinator for the entire clinic. He loves to give back to those in need and has provided volunteer dental care in Columbia, Honduras, Mexico and to the homeless population in downtown Los Angeles.

Before joining All About You Dental, he spent several years as Lead Dentist and Clinic Coordinator for a busy family dental clinic providing excellence in all phases of dentistry. Dr. Chung's friendly nature and sense of humor is sure to put you at ease and leave a smile on your face. When he's not at the the office, he loves running, hiking, snowboarding, playing basketball and traveling.

RECIPE
of the
MONTH

My Grandma Clark was a gourmet cook. Back in 1999 just prior to her passing, my wife Jannie and I visited her. My Grandpa slipped us an old shoe box, packed full of her treasured recipes collected over her lifetime. Jannie and I spent the next 3 years creating a huge 357 page recipe book in her honor.

There are now 535 books in print! We decided to share some recipes with you as "Grandma's Recipe of the Month". Enjoy!

- Dr Taylor and Jayson Clark

All About You Dental Gives Back in Ghana

This past Summer, Dr. Taylor Clark and his family traveled to Ghana, Africa for a 2 week dental service mission trip. They were the first volunteer dentist family to run the newly built Ghana Make a Difference Orphanage clinic. They got most of the bugs worked out, figuratively and literally to help pave the way for other dentists to bring their families out to serve the many there who don't have access to dental care like we do in America. After some very tough and challenging days with far from ideal equipment and treatment space, they worked to take care of 104 people doing lots of fillings, extractions, exams, cleanings and periodontal disease treatment, along with lots of oral hygiene instruction.

Dr. Clark was happy to still be friends with the kids after giving all those shots and doing dental work.

Dr. Clark serving with his family in the clinic. They learned that doing dentistry out of a lawn chair is hard on your back.

Story time at night was a hit with the orphan children.

The Orphanage Director and the children honored Dr. Clark's family like royalty with hand made sashes to say thank you and goodbye.

The children loved watercolor painting while waiting for a turn in the dental chair.

When the Orphanage Director comes in to get his front tooth fixed and he is surprised with a temporary fang instead.

Now That's a Rap!

Reef and Jake created lots of laughter and entertainment with their All About You Dental Rap at a recent team training.

Community Fun Run!

Jake finishing strong!

Some of our team members had a great time supporting the orphan kids at the Ghana Make a Difference Fun Run in Eagle recently. This community event raised enough money for provide over 1,000 meals for those in need.

Patient of the Quarter

Ethan Clark has been voted Patient of the Quarter! Ethan fell and severely broke his two front teeth. His mother called our office for the first time and we were able to get them right in. We could feel their panic and fear and delighted in turning it into triumph that very same day.

Ethan was so brave and his parents were thrilled with the results. They took these pictures and sent them to us with a nice thank you note. Everyone at All About You Dental would like to thank Ethan for being a brave patient!
