Patient of the Quarter

Katie Ford has been voted patient of the quarter. Something unique about Katie is that she grew up on a small farm in Iowa! She enjoys Kettlebell strength training and loves to get outside for a good hike. Katie always enjoys smiling and has been told she smiles a lot! She loves All About You Dental because she feels that everyone is so genuine, warm and always professional. Everyone at All About You Dental would like to “thank” her for being a great patient!

RECIPE OF THE MONTH: We have decided to share a special recipe with you every week on our website. Simply visit www.allaboutyoudental.com each week for a brand new recipe.

My Grandma Clark was a gourmet cook. Back in 1999 just prior to her passing, my wife Jannie and I visited her. My Grandpa slipped us an old shoe box, packed full of her treasured recipes collected over her lifetime. Jannie and I spent the next 3 years creating a huge 357 page recipe book in her honor. There are now 535 books in print! I decided to share some recipes with you each month as "Grandma's Recipe of the Month". Enjoy, -Dr. Taylor

Dr. Jayson and Taylor Clark joined their 6 siblings in Utah this past August to give their mother a complete birthday surprise for her 70th that she never saw coming. All 8 of her kids living in different states pulled up in a classic white van like they drove in the good ole' days to wish her a very happy birthday. Did you know?? Their mother was the 1968 Miss Boise and they had a cake made with her pageant photo!

Prospect Elementary School recently invited Dr. Clark out to teach 125 1st graders all about dental health and how to take care of their choppers. He gets a kick out of hearing first graders learn how to say temporomandibular joint.
