We have decided to share a special recipe with you every week on our website. Simply visit [www.allaboutyoudental.com](http://www.allaboutyoudental.com) each week for a brand new recipe

My Grandma Clark was a gourmet cook. Back in 1999 just prior to her passing, my wife Jannie and I visited her. My Grandpa slipped us an old shoe box, packed full of her treasured recipes collected over her lifetime. Jannie and I spent the next 3 years creating a huge 357 page recipe book in her honor. There are now 535 books in print! I decided to share some recipes with you each month as "Grandma's Recipe of the Month". Enjoy, -Dr. Taylor

### Blueberry Salad Mold

- 1 small pkg. lemon gelatin
- 1 small can crushed pineapple
- 8 oz. cream cheese
- 3 T. powdered sugar
- 3/4 c. half & half cream
- 1/2 t. vanilla
- 2 pkgs. dark cherry gelatin
- 1 can blueberries
- 3 1/2 c. liquid (blueberry juice plus water)

Dissolve the lemon gelatin in 1 1/2 c. liquid (pineapple juice plus water). Cream together the cream cheese, powdered sugar, half and half, and vanilla. When the lemon gelatin is cool, slowly add it into the creamed mixture. Stir in the pineapple. Pour into a mold that has been rinsed in cold water. Let set until firm. Dissolve the cherry gelatin in hot blueberry liquid. Cool, add the blueberries. Pour over bottom layer in mold and chill until set.

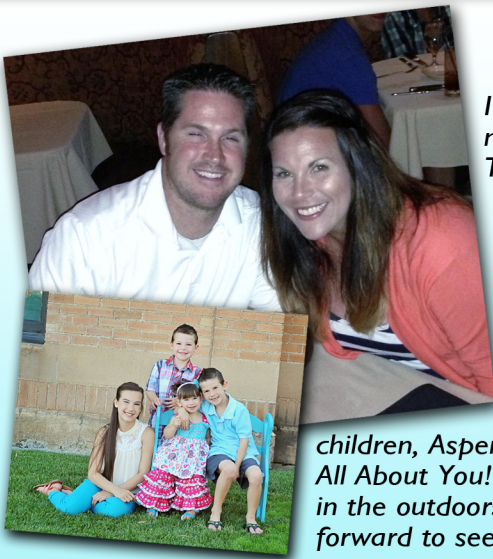

What our assistants do on their lunch breaks!

We caught a couple of our dental assistants enjoying the ocean with jumping dolphins today; looks like they are ready for summer. There are always fun times at All About You Dental!

## Meet our Dental Hygienist Danka Stanger, RDH

I Love being a Dental Hygienist and after 10 years of practice I love it even more! I am so happy to have been able to join the ALLAbout You Dental Team more than 18 months ago, it is a WONDERFUL place to be and I couldn't ask for better Doctors and staff to work with. I attended college at Weber State University and graduated with my bachelors in Dental Hygiene in 2004. I was an "Air Force Brat" and grew up all over the United States but settled in Utah for my high school years. This is where I met my husband and was married in 1998, after many years of college and 16 years of marriage we have settled in Boise. We LOVE Boise, and after 6 years here we have no plans to go anywhere else, we love the outdoors and both feel it is an amazing place to raise our family of 4. I have 4 children, Aspen (12), Jude (7), Cort (4) Gia (2), they keep me busy on the days I'm not at All About You! When I am not a mom or a dental hygienist, I love to craft, cook and be in the outdoors! Thank you for making me feel so welcome at All About You Dental, I look forward to seeing many more of you and getting to know all of you.

## Ryan Murphy, son of Tim and Mary

Ryan Murphy, son of Tim and Mary, has always had a dream of serving his country as an officer in the military and flying fighter jets for the Air Force. While at Rocky Mountain High School, Ryan excelled in his academics, the debate team, and in leadership including serving as the Cadet Squadron Commander for the Civil Air Patrol. He volunteered countless hours in serving individuals and the community. Shortly before he graduated Ryan learned that he was accepted to the United States Air Force Academy in Colorado and received a full scholarship to cover the education, room, board and living expenses. Ryan successfully completed basic training (called Beast 1 and 2) this summer and began fall semester classes on August 12th. Everyone at All About You Dental is wishing Ryan the best as he seeks to serve our country and pursue his greatest dreams!

## **What Patients Are Saying!**

***Best dental office I have ever been too!***

*I have been to many dentists throughout my life and have moved a lot. I recently relocated to Boise and feel very fortunate to have found this dental office. The staff were all so friendly and welcoming. The office was very clean and organized. They all made me feel extremely comfortable and important. I will definitely be making this office my dental office as long as I am living in Idaho.*

*— Maureen V., Boise, ID*

***Genuinely concerned for their patients***

*The staff and Jason work together to create a pleasant and smooth experience. I highly recommend their office to parents with children because of their approach that extends beyond traditional care.*

*—Scott S., Eagle, ID.*

***Great crew from check in to check out!***

*The overall experience is great. The front desk staff is great to work with and everyone while you are in the chair truly want to make the experience as enjoyable as possible (even though it is the Dentist). Never felt more comfortable at the dentist.*

*—Jason H., Meridian, ID.*
