## Smile Makeover

What message did Byron's wife send us about her husband's smile transformation that took place last year?

BEFORE

AFTER

"I still appreciate everything you did for Byron so much! I don't know if you realize how life changing a new smile can be, but I have seen first hand how much of a happier person Byron has become. He laughs more, smiles big, and has much better self confidence. Thank you for that- he's much easier to live with now! Thanks again!"

## Girl Scout Cookies!

In March, Dr. Taylor was on a buddy outing with his 3 youngest boys. Dr Taylor says: "So this young lady asks me and my boys if we want to buy some Girl Scout Cookies. Should have seen the look on her face when we gave her 100 bucks!" The next day at the dental office, 25 people received a surprise!

We have decided to share a special recipe with you every week on our website. Simply visit [www.allaboutyourdental.com](http://www.allaboutyourdental.com) each week for a brand new recipe.

My Grandma Clark was a gourmet cook. Back in 1999 just prior to her passing, my wife Jannie and I visited her. My Grandpa slipped us an old shoe box, packed full of her treasured recipes collected over her lifetime. Jannie and I spent the next 3 years creating a huge 357 page recipe book in her honor. There are now 535 books in print! I decided to share some recipes with you each month as "Grandma's Recipe of the Month".

Enjoy, -Dr. Taylor

## Berry Snowbank Pie

- 1 baked 9-inch pie crust
- 1 quart strawberries (washed, hulled, and drained)
- 1 ¼ c. sugar
- ½ c. water
- ½ t. cream of tartar
- 2 egg whites + pinch of salt, beaten stiff
- ¼ t. almond extract

Fill pie shell with berries, putting prettiest berries in center. Mix sugar, water, and cream of tartar in small saucepan. Cover and bring to a boil, cook to soft-ball stage (240 degrees on candy thermometer). Pour gradually into beaten egg whites, beating constantly until icing piles into peaks, add extract. Mound icing around edge of pie, leaving center uncovered. Cool but do not refrigerate. NOTE: Whipped cream can be substituted for frosting around edge of pie.

Dr. Taylor took his wife Jannie on a special lunch date recently on his day off. On the way back their Suburban died unexpectedly! Little did they know they would get to ride in a big tow truck and spend the afternoon at the repair shop!

**We love changing lives and treating all of our guests like family.**

We had the privilege of doing a smile transformation on Dr. Jayson and Dr. Taylor Clark's father! In Jay Dee Clark's case, he needed all of his lower teeth re-built as they had become severely worn. We just did some minor things and whitened his upper teeth. Now he looks younger and has strengthened his bite for years to come.

**BEFORE**

**AFTER**

"I was concerned about the deterioration of my bottom teeth, but Dr. Clark has given me confidence for the rest of my life."  
--Jay Dee C.

**Special Offer: Lifetime teeth whitening.**

Do you want whiter teeth for life? For a one time enrollment fee of \$97, you will receive a professional strength take-home whitening system. (\$400 value). At every 6 month cleaning, you may receive a "touch-up" kit as needed, absolutely free, so that you will be able to keep your smile as white as possible for many years to come! ## What Patients are Saying!

### Always a pleasurable experience...

I appreciate the simple things from my annual dentist appointments: Eye contact, engaging conversation, attentive staff and considerate techs. It also makes a difference when staff communicate the next steps such as, how long I will be waiting or what to expect on my next visit. All of the little things added up bring me make me want to keep coming. —Melanie C.

### Best Dentist in Town

I have been coming to All About You Dental for years. I am so happy with their team. Everyone from the front desk staff to Dr. Clark is so friendly, professional and thoughtful. They are lucky and smart to have collected such a great bunch of providers, very skilled and personable. —Jamie D

### You can tell they really care

I don't give top reviews out very often but these people do really care. They are friendly and always seem to have my best interest at heart. Never pushy or trying to oversell you on anything. I have many options to choose from but they always keep me coming back. They are 20 miles from my home but I can't see myself going anywhere else. —Jon S.

### A Great Dental Team!

In the past I have waited at most dental offices for 15- 20 minutes to be cared for or more. This practice is much more efficient. But, more importantly, they are kind, caring, and provide A+ quality treatment. —Donald C.
